## Cambridge Juniors Summer Camp

The Cambridge Juniors program consists of English classes in the mornings and activities and sports in the afternoon, excursions to Cambridge and London. Cambridge Juniors is a very enjoyable and fun camp. Last year we had 35 different nationalities.

### Accommodation

Students can choose between host families in single or double room with another student of similar age, or residence in single or double room with bathroom.

Host families live in and around Cambridge, you usually have to take a bus that leaves them at the door of the school, easy and well connected. Families offer half board, breakfast and dinner, ideal time to talk and learn more about English culture.

The residences are very close to the school and the students can go on foot, they are run by the owner of the house who is responsible for the proper functioning of the same, offering perfectly clean rooms and most of them with their own bathroom. Laundry is offered once a week. As in the previous case, they will provide half board, breakfast and dinner.

Students will be able to share experiences with fellow residents of different nationalities in the Common Room of the house, it is a cozy lounge where they can chat, watch TV ... etc,
