Sir Michael Summer Camp– Cambridge -2020

Each summer our school becomes a camp for our teenage students. Studio Cambridge's Sir Michael has been running here since 1969 and is more popular now than ever in our Summer English school in Cambridge.

During July and August Studio Main School becomes a centre for our teenage students. It has a large capacity with up to 400 students. During our busiest times, classes may be in the morning or the afternoon. There is a wide range of nationalities and the ratio of staff to students here is high. The average number of students per class is 12 or 13 and the maximum class size is 16.

From June 23rd and closes on August 25th.

Evenings:

INMERSIONUK

Each evening residential students must return to the residence for registration after dinner. Residential students on the Sir Michael camp will have activities organised for them by our Studio staff after this. Residential students must return home by 22:00 at the latest. Students who fail to return on time will be spoken to our staff. This is an important rule for us and returning late is considered serious misconduct and action will be taken.

All our residences are situated in quiet residential areas, so students and staff are asked to respect the privacy of our neighbours and avoid excessive noise in the evenings.

Your free time:

It is important to note that students in residence on the Sir Michael course will have some free time and independence - especially on Sundays which have free mornings. There are always things to do in Cambridge and the Studio staff are there to help and supervise in case of problems. Common Rooms are also available in most of our residences.
