English Courses for Adults

It's very important to communicate effectively whether you are in business, are planning to move abroad, go travelling, or want to get more out of holidays, we have a range of part time courses to suit every language level.

Each class follows a guide, in line with the Common European Framework of References for Languages (CEFR), to help the students improve their language skills quickly and build their confidence in the use of English.

Cambridge Assessment English Test

Lessons focus on improving your general English and exam skills, getting you to the level needed to pass the exam papers. The lessons are based around topical issues and current affairs, while at the same time working on your vocabulary, grammar, syntax and oral skills. Each student will have a mock exam with detailed feedback provided by the teacher.

IELTS

To international students who plan to go onto further academic studies in the UK. Our schools have a long history of teaching IELTS (International English Language Testing System) to international students who plan to go onto further academic studies in the UK; or who simply want to demonstrate their ability through the exam; an internationally recognised qualification.
